

The St Nicholas Society of Bell Ringers Club recognises the needs for its financial control processes to be clear and transparent in order to comply with necessary regulations, as well being accessible to all members and supporters.

1. Financial Records and Accounts

- 1.1) Financial records must be kept so that:
 - The Society meets its legal and other statutory obligations, such as His Majesty's Revenue & Customs, and common law.
 - The committee has proper financial control of the Society.
 - The Society meets the contractual obligations and requirements of funders.
- 1.2) These regulations govern the conduct of financial management by the Society and may only be amended or varied by majority vote of the Society at an AGM or EGM.
- 1.3) The Society is responsible in law for ensuring that its financial management is adequate and effective and that the Society has a sound system of internal control which facilitates the effective exercise of the organisation's functions, including arrangements for the management of risk.
- 1.4) The Society's accounting control systems must include measures:
 - for the timely production of accounts;
 - that provide for the safe and efficient safeguarding of public money;
 - to prevent and detect inaccuracy and fraud;
 - identifying the duties of officers.
- 1.5) This Financial Policy demonstrates how the Society meets these responsibilities and requirements.
- 1.6) At least once a year, prior to approving the Annual Governance Statement, the Society must review the effectiveness of its system of internal control which shall be in accordance with proper practices.
- 1.7) Deliberate or wilful breach of these Regulations may give rise to disciplinary proceedings.
- 1.8) Members of the Society are expected to follow the instructions within these Regulations and not to entice members to breach them. Failure to follow instructions within these Regulations brings the Society into disrepute.
- 1.9) The books of accounts must include:
 - An analysis report (Profit and Loss) of all the transactions appearing on the bank accounts.
 - A petty cash book if cash payments are being made.
- 1.10) Accounts must be drawn up at the end of each financial year (31st December) and presented to the ensuing AGM, which will usually be held within 3 months of the financial year end.
- 1.11) The officers will regularly review the financial position of the Society and take corrective action if appropriate, budgeting based on the previous years' income and expenditure, plus any urgent matters that have been flagged by the treasurer and or standing committee.

- 1.12) A report comparing actual income and expenditure with the budget should be presented to the officers every three months or whenever meetings take place.
- 1.13) The officers of the Society shall appoint a suitable auditor/independent examiner to audit or examine the accounts before presentation to the next AGM. The auditor/independent examiner shall:
 - be competent and independent of the financial operations of the Society.
 - report to the Society in writing, or in person, a written report annually;
 - to demonstrate competence, objectivity and independence, be free from any actual or perceived conflicts of interest, including those arising from family relationships;
 - have no involvement in the financial decision making, management, or control of the Society.
- 1.14) The treasurer shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

- 2.1) The Society will bank with Unity Trust Bank and accounts will be held in the name of Old Marston Bell Ringers.
- 2.2) The bank mandate (list of people who can sign cheques on the organisation's behalf) will always be approved and minuted by the officers as will any changes to it.
- 2.3) The Society will require the bank to provide statements every month and these will be reconciled with the cash book at least every three months and the treasurer will spot check that this reconciliation has been done at least twice a year, signing the cash book accordingly.
- 2.4) The society will not use any other bank or financial institution or use overdraft facilities or loan without the agreement of the officers.
- 2.5) All invoices for payment shall be examined, verified and certified by the treasurer to confirm that the work, goods or services to which each invoice relates has been received, carried out, examined and represents expenditure previously approved by the society.
- 2.6) The treasurer shall examine invoices for arithmetical accuracy and analyse them to the appropriate expenditure heading. The treasurer shall take all steps to pay all invoices submitted, and which are in order, in a timely manner.
- 2.7) The treasurer shall have delegated authority to authorise the payment of items only where a payment is necessary to avoid a charge to interest under the Late Payment of Commercial Debts (Interest) Act 1998, and the due date for payment is before the next scheduled meeting of the society, where the treasurer certifies that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of the society or the officers within two weeks of payment date.

4. Payments (expenditure)

- 4.1) The aim is to ensure that all expenditure is on the Society's business and is properly authorised and that this can be demonstrated. The latest approved budget provides the cheque signatories with authority to spend up to the budgeted expenditure, not beyond it.
- 4.2) The Treasurer will be responsible for holding the cheque book (including unused and partly used cheque books) securely so as to comply with GDPR principles.

- 4.15) Access to any internet banking accounts will be directly to the access page (which may be saved under "favourites"), and not through a search engine or e-mail link.
- 4.16) Changes to account details for suppliers, which are used for internet banking may only be changed on written hard copy notification by the supplier and supported by hard copy authority for change signed by two of the registered officers. A programme of regular checks of standing data with suppliers will be followed.
